

Dear Members,

The results of the election to the Advisory Board are shown below.

52 members voted and we are grateful to you for participating in this important procedure. Some of the candidates, both successful and unsuccessful, will be in Brussels for the meeting next week and we hope to get the AB operational then.

Congratulations to all the candidates - reading their biographies makes one realise what a very diverse, talented and high-achieving group of people they all are. I like to feel this is representative of TACU members as a whole.

1. Maria Paalman: 39
2. Michael Gericke: 32
